The bidding has been as shown.

You could bid 1♠. Many would do so, thinking "I have to show partner my ♠ suit."

In fact, you don't have to show partner your ♠ suit. You already know of a partnership 9-card fit in ♥s, so there is no reason to search for a possible 8-card fit in ♠s.

With 11 points and 4 trumps you bid 3♥, a limit raise. Partner raises to game.

You **MIGHT** jump to 2NT to "show your points". However, a notrump bid now would deny a 4-card ♠ suit. Instead, your priority is to show that Major, so you respond 1 ♠. Partner bids 2 ♠. What do you say next?

Partner would not support a response which might be 4 cards unless he had 4 himself. Knowing that you have two opening hands facing each other, each containing 4 ♠s, you bid the ♠ game.

The bidding has been as shown.

With 4-card support you respond 2♠. Partner raises to 3♠. What do you say next?

Partner's bid is an invitation. You have told him you have 6-10 points and he probably has about 17-18. If you are at the high end of your 6-10 he wants you to bid game, at the low end he wants you to pass. You actually have 10, definitely high end, so you bid 4♠.
