South opens 1♥. What should we bid? We respond 1NT, just as in standard bidding. The difference is that in this case the 1NT response is forcing on South. South rebids ♥s, promising at least a 6-card suit.

You have nothing to say over 2♥ except pass. Notice that this is the same bidding and same final contract that would have been reached with standard bidding. Using 2/1 is often like that.

How do you open the bidding? You open 1 ♠. South responds 2 ♦, a natural 2/1 force to game. What do you rebid?

You cannot rebid your ♠s, but you have decent support for partner's ♦s, so raise to 3 ♦. You are in a game forcing auction so it won't end there. South always intended to play a ♠ contract. He now bids 4 ♠, using Fast Arrival to indicate he has no slam aspirations. 4 ♠ is cold, and if the defenders don't take their ♥ tricks immediately you will make an overtrick.
