How do you start this action? [Bid 1H] You open 1♥ and partner responds 2♦. What do you rebid? Partner's 2 over 1 bid sets up a game force. You have a good-looking hand, but you need to find a trump suit before showing extra strength, so she bids just 2♥. You are in a game forcing auction, so partner won't pass you. Partner now jumps to 4♥. What do you do now?

Partner's jump to 4♥ is Fast Arrival - showing a minimum game forcing hand. Even though we have extra values, this won't be enough for slam opposite 13 or so points.

South opens 1 ♠. You have 11 points, enough to respond 2 ♥ in standard bidding, but not when using 2/1. So we use the forcing 1NT. South rebids 2 ♣. This only promises 3 clubs, so is really just there so we can better describe our hand with our second bid. What do we bid now?

Now we can bid 2H, and it shows 6+ ♥s and only 6-10 points. South was forced to reply to 1NT, but he is not forced to bid again. With his minimum hand and a tolerance for partner's suit he just passes and the partnership ends up in a reasonable contract. This hand demonstrates one of the benefits of Forcing 1NT. In standard bidding North's first response would be 2 ♥, and South would have to bid again, probably 2NT. The partnership might go even higher but in any case would probably not reach a good contract.
