South opens 1♠. West overcalls 2♦. After West's 2♦ overcall both South and North know that the 2/1 Game Force is no longer on. North can therefore bid 2♥, showing at least 11 points. This bid is forcing on South for 1 round, but not forcing to game. South next rebids his ♠s, promising a 6-card suit, but also indicating a minimum strength hand. Since the Game Force is not on, South would have to make a jump bid to show extra strength.

You have nothing further to say so the partnership arrives in a safe contract.

South opens 1 ♠. So far you know you belong in game, but you don't know which game. What do you bid first? You respond 2 ♣, natural and forcing the partnership to game. South now bids his ♥ suit. At this point you figure South for 5 ♠s and 4 ♥s. What should you rebid? You cannot support either of South's Majors, but with a good stopper in the fourth suit you bid 2NT. The game force is still on and South may not pass this bid. South bids 3 ♥, indicating that this is also a 5-card suit. What do you rebid now?

Now you can bid the ♥ game, knowing there is an 8-card fit.

All Pass			

What do you open with this hand? You opens 1 ♠ and South, responds 2 ♥. Note that this promises a 5-card or longer ♥ suit. (2 of a minor only promises 4+). What do you rebid? Knowing that South has 5, you bid 3 ♥ to confirm the trump suit. South bids 4 ♥.

South went straight to game, showing a minimum opener and no slam interest. You are also satisfied to just play at game. 2/1 is a good bidding method, and here, 4 ♥ is a good contract. But you can see that it is not a laydown - there is no bidding system that will always reach 100% contracts. In this hand a 3-3 ♦ split will provide the 10th trick, or if that fails, taking 2 ♠ finesses provides a 75% chance of success.
