You have a totally square 13 points. Still, you don't want to ignore a 4-card ♠ suit so you respond 1 ♠. Partner rebids 2 ♦. What do you say next?

You COULD bid 3 ♣, FSF, to find out if partner has a ♣ stopper but that would be pointless. You already know of an 8-card ♥ fit so you say 4 ♥.

With both 4-card minors you open 1 ♦. Partner responds 1 ♠.

You cannot support ♠s with only 3 of them. Instead you bid 2 ♣. Partner says 2 ♥.

This is FSF, asking you to further describe your hand, and you have a problem. You do have a ♥ stopper so you COULD bid 2NT. You also have 3 ♠s so you COULD bid 2 ♠. Either way might turn out best, but that ♥K looks pretty lonesome so you choose 2 ♠ and partner raises to 4 ♠.
