With 17 points you need to indicate a better than minimum opening. You have no singletons and just a 5-card trump suit so you bid 3NT. Partner says 4♦ and it is your bid again.

Partner's 4♦ bid shows first round control (surely the Ace). You bid 4♥, showing your first round control. Partner now says 4NT.

You are being Blackwooded, and with three Aces you reply 5♠. That was apparently just what North wanted to hear, so he bid 7♠.

You were all set to give a Jacoby 2NT response when West stuck in his 1♠ overcall. Now you can't because Jacoby is off after opponents interfere. Fortunately you have another bid at your disposal. You say 2♠, showing good ♥s and a limit raise or better. Partner bids 3♥.

Partner didn't have enough to bid game, not knowing if you had more than 11 points. But you know you have opening hand so you bid 4♥.

Partner's Splinter Bid in ♣s has really made your hand look good. With no losers in trumps or ♣s you need to find out about the other two suits. So you invoke Blackwood and partner replies 5♥.

If partner can take care of your three ♣ losers you will have just one ♠ loser at most. So you bid 6♥. Maybe you should have bid 7♥.
