4 ♥ by North

You open 1NT and partner responds 2 ♦. However, your Right Hand Opponent injects a 2 ♠ overcall.

You don't want to bid 3 ♥ because partner might have a very weak hand. Since you don't really have anything to add to your opening bid you PASS.

Remember, you have a partner who heard your first bid and he knows more about the hand than you do. And he now bids 3NT. .

Aha! Partner does have a good hand, at least 11 points and with 5 ♥s.

You have a minimum, but with 3 ♥s you prefer the suit game to 3NT so you bid 4 ♥.

3♥ by East

You open 1NT and partner responds 2♦. However, your Right Hand Opponent injects a 2♠ overcall.

More often than not it is correct to pass after an opponent overcalls your partner's transfer response. This is because your partner might be very weak, and in any case your partner knows a lot about your hand while you don't know much about his.

However, in this case you know that your side has at least 9 ♥s, and you are weak in ♠s. So you bid 3♥, knowing that even if you go down it may be better than letting them play ♠s.
