6NT by North

you are on the same wavelength.

North opens 1NT.

With 16 points you have to be thinking about slam.

But first things first, start the transfer process by bidding 2♥.

What is your next bid after partner's 2♠?

With 16 points you want to make an invitation to slam, but you also need to let partner know that you only have 5 ♠s so that he can play notrump when he only has a doubleton ♠.

The **BEST** way to say both these things is to bid 4NT. This is similar to the 2NT bid in Deal 2.

But you can see the problem with the bid - if partner mistakes it for Blackwood 4NT things could get very confused. So don't use this unless you know both of

Here both partners understood the bid and North bid 6NT.

4♥ by East			

East opens 2NT showing a balanced 20-21 point hand.

Jacoby Transfers work fine with 2NT openings also. You should bid 3♦ as a transfer to ♥s. Partner complies by saying 3♥.

You bid 3NT which tells partner you have just 5 ♥s and lets him decide on which game to play.

On this Deal partner has 3 ♥s so he bids on to 4♥.

Notice that when partner opens 2NT the invitation to game option is no longer available. As responder you must decide immediately whether to stop short of game (by transferring then passing) or to go to game. This is not a serious problem since the tighter (20-21) point range makes responder's decision easier to make.
