7♠ by North			

Partner's 4♦ bid is a Splinter Bid. It shows opening hand strength, at least 4-card ♠ support, and a singleton or void in ♦s.

Normally you would not ask for Key-Cards with this ♦ holding. But since you know partner has at most a singleton, and that it is not the singleton ♦ A, you are safe to do so. You say 4NT, partner replies 6♦. What next?

WOW! Partner has one Key-Card and a ♦ void. So the Key-Card is the ♠ A. You don't know what the rest of partner's hand is, but he can surely take care of that small ♣. You bid 7♠.

Your 2NT response shows 8+ points, with no 5-card biddable suit.

You support the ♦s and partner bids 4NT. What is your next bid?

With ♦s as trump you have 1 Key-Card, the ♥A. You answer 5♣ and partner bids 5♥. What is your bid?

This is the Queen Ask, wanting to know if you hold the ♦Q. Since you do have it you should bid a suit in which you hold a King. So you bid 5♠. That spurred partner on - he was fishing for 7♦ but when you told him you had the ♦Q, ♥A and ♠K he was able to bid 7NT.

6♥ by North

Partner's 2♥ is a positive response, 8+ points with a 5+ card suit.

Even though it is tempting, bidding RKCB now would be a mistake because of your doubleton ♠ loser. Instead just support the ♥s. Partner cannot pass, you both know you are forced to game. In fact, partner bids 3♠.

Partner promises first round ♠ control so NOW you can bid RCKB. When you bid 4NT partner answers 6♥. This shows 1 Key-Card and a void in a suit higher than ♥s. Knowing you are missing either the ♦A or ♥K you pass.
