2NT by South			

With 12 points you know game is likely, but for now you bid 1♥. Partner rebids 1NT. What do you say next?

Partner has 12-14 points, balanced. If he is at the top, game could still be there, but you aren't sure where to play. If partner has only 2♥s then NT is probably best, but if he has 3♥s then you would prefer to play the 8-card Major fit. New Minor Forcing will allow partner to answer both questions for you. So you bid 2♣. Partner answers with 2NT.

Partner tells you he has only 2♥s. He also tells you he only has 12-13 points. So you pass 2NT.

4 ♥ by South

With 14 points you open your 4-card minor, 1 ♣.

Partner responds 1 ♥.

This is easy. You cannot support ♥s at this point with only 3 cards. So you rebid 1NT.

Partner says 2 ♦.

This is New Minor Forcing. Partner wants to know if you have 3 ♥s. Not only do you have 3 good ♥s, but you also have a maximum hand. So you jump to 3 ♥ and partner bids the game.
