With 17 points you have a perfect hand for a Reverse. So you bid 2♦. Partner then says 3♣.

Partner's return to your ♣ suit shows he has fewer than 9 points. Although it is possible to devise a hand for him where your side could make 3NT, the risk is too great.

So you pass. It's a good thing, too.

You have 7 points, and basically nothing but s♥.

You must make a minimum bid, and the only reasonable one is 2♥. Despite his 17 points, partner passes.
