If you thought you couldn't bid 1♠ because it would have been a Reverse just think again.

A Reverse is when you bid a higher-ranking second suit **at the 2-level**. This is just normal bidding of suits up the line.

Partner now takes control and bids the ♠ game.

Don't bid 2♥. That would be a Reverse, showing at least 17 points. A 2♥ bid would also show longer ♣s than ♥s. Don't bid 2♠. That would be showing 4-card support.

So with your minimum hand you bid 1NT which partner raises to 3NT.

2NT by South

At your first turn you bid your ♥ suit, up-the-line.

You only have 7 points, but partner Reversed so you cannot pass. You need to make a bid to show your minimum, and you cannot support either of partner's suits, nor can you rebid your ♥s.

However, you also cannot bid your ♠ suit. That would be fourth-suit-forcing, and would show a game forcing hand of 9 or more points.

Instead you bid 2NT. Partner has a bare 17 so he passes.
