4♠ by South			

South opens 1NT.

Of course you bid 2♣. Partner now bids 2♠. What is your next bid?

Partner hit your suit. When you add a point for your doubleton ♣ you are up to 10 points. This is the situation where you have to use your judgement, either to invite or to bid the game yourself.

There is really no right or wrong here, between 3♠ and 4♠. Those extra 10's and 9's swing you to 4♠. As you see it will be a close call, but even if you misguess the ♦ finesse you will still establish a ♦ winner for a discard.

3NT by South			

South opens 1NT.

Both Majors! Lucky you. So you bid a Stayman 2♣. Unfortunately partner comes back with 2♦. What is your next bid?

Partner doesn't have a 4-card Major so your side doesn't have an 8-card Major fit. Therefore you will play in notrump. And with your 12 points you **MUST** play in game. So you bid 3NT.
