North opens 1NT.

If partner has a 4-card ♥ suit to match yours you could revalue your hand and add a point for your doubleton ♠. That would give you the 9 points you need for an invitational response.

It is far too risky to play for that possibility. So you just pass.

East opens 1NT.

You have 9 points and a 4-card Major. Just enough for an invitational Stayman sequence. You bid 2♣ and partner answers 2♠.

Partner has the wrong Major. Now that you know there is no 8-card Major fit you must go to notrump. And since you don't have the strength to insist on game you say 2NT which is an invitation for partner to bid 3NT if he has a maximum.

He has a maximum and he bids 3NT.

South opens 1NT.

Of course you bid 2♣. Partner now bids 2♠. What is your next bid?

Partner hit your suit. When you add a point for your doubleton ♣ you are up to 10 points. This is the situation where you have to use your judgement, either to invite or to bid the game yourself.

There is really no right or wrong here, between 3♠ and 4♠. Those extra 10's and 9's swing you to 4♠. As you see it will be a close call, but even if you misguess the ♦ finesse you will still establish a ♦ winner for a discard.
