4♠ by North

overtricks by discarding dummy losers on your ♥ suit.

North opens 1NT.

Even when you hold a 6-card Major, if you have 4 cards in the other Major you use Stayman. Partner answers 2♠.

You've found an 8-card Major fit and you know there are enough points for game. So you bid 4♠.

Yes, but you already knew you had an 8-card ♥ fit since partner's 1NT promised at least 2 ♥s. In fact, you could play game in either Major. However, it is often better to play in a 4-4 fit rather than a 5-3 or 6-2. This hand shows why. Played in ♥s you will make exactly 10 tricks with any opening lead. Played in ♠s you will again make 10 tricks when the defenders start with their 3 ♣ winners. If they start with anything else you are very likely to make 1 or 2

4♥ by South			

This is the follow-up to Deal 10. North opens 1NT.

Just like the previous deal with a 4-card Major you use Stayman. This time partner says 2♦. Your turn again.

With partner showing no 4-card Major the bidding takes a turn. With your 6 ♥s you are sure of an 8-card fit in the suit. With 11 points you must be sure of reaching game. So you bid 4♥.

In this case the strong hand does not become declarer, but the contract is the right one anyway.

2NT by North

You open 1NT and partner responds 2♣.

Partner has commanded you to bid a 4-card Major if you have one. You have one, so you bid 2♠. Partner now says 2NT.

Partner evidently has 4 ♥s. He also evidently has about 9 points since he is INVITING you to bid 3NT. With your minimum 15 points you decline the invitation by passing.
