You have 11 points and partner opens 2♣. Wow!
You answer 2NT and he bids 3NT. What is your next bid?

Hmmm, 22-24 balanced, plus 11 balanced equals
33-35 balanced. It makes you think a jump to 6NT
would work out great. Just do it.

With just 1 Jack you bid a Negative 2♦. Partner now bids 2♠. What is your bid?

Partner's bid of a suit is absolutely forcing, no matter how you feel about it. But now is the time you tell him you have fewer than 3 points by using the Second Negative. You bid 3♣. Partner now says 3♥.

No, you still may not pass. First, because partner's bid of a new suit is forcing. Second, because even if you were not forced you prefer his first suit. So you bid 3♠ and he passes.

With a true Yarborough you qualify to respond a Negative 2 ♦. Partner now bids 3 ♣. What is your bid?

You now inform partner of your disaster hand by using the Second Negative. Since his suit is ♣s the Second Negative is 3 ♦. Partner now says 3NT.

You definitely pass. Good thing he has 9 cold tricks in his hand!
