The bidding has been as shown.

Partner has 10+ points, a ♠ suit and fewer than 3
♥s. Doesn't this look like the perfect hand to pass for
penalties? Yes.

The bidding has been as shown.

This is one of the nicer parts of Negative Doubles. When the bidding is 1♣ - 1♦, a double by you promises both Majors. It's like you are allowed to bid both suits at once, 1♠♥. So you double and partner says 1NT.

Partner doesn't have 4 of either Major. But he does have 13 points and ♦s stopped. You also have 13 points so you bid 3NT.
