The bidding has been as shown.

With only 7 points you might not think you have enough to make a "free bid". But in competitive bidding situations like these, where both sides have a fit, bidding is usually better than passing. So you bid 2 ♠.

You might look at the Law of Total Tricks lesson for more on this subject.

The bidding has been as shown.

You have enough for a 1-level Overcall so you bid 1♠. Partner says 3♠.

The jump raise tells you partner has 11-14 points.

With your minimum it's going to have to be better than that to get you excited. So you pass.
