The bidding has been as shown.

The problem with making a Takeout Double of a preemptive bid is that the bidding for your side starts out a level or two higher. So you can't risk doubling with a flimsy hand. However, this hand is certainly good enough so you double. Partner responds 3♥.

After partner cuebids the next job is to find a suit, so you bid 3♠. Partner now bids 4♣.

You cannot stop short of game. Partner has apparently rejected your ♠ suggestion. Since you are happy to play in ♣s you bid 5♣.

You could certainly say 1NT if you wanted to. You have 8 HCP and a very good ♣ stopper. However, you will probably make a lot more points by letting them play 1 ♣ doubled.

This is exactly the kind of hand you need to pass and convert partner's Takeout Double to a Penalty Double. Partner should lead a ♣ so you can pull declarer's trumps as soon as possible.
