partner's suit. If the lead turns out wrong, and the ♥Q lead would have beaten the contract, partner will not blame you in the least. But if you lead the ♥Q and it turns out that a ♠ lead would have let you set the contract, well, that would not be too good for partnership harmony.

The bidding has been as shown. The contract is 3NT

Lead the ♠7, the suit your partner overcalled.

If partner had not overcalled, the ♥Q would be the perfect lead against 3NT. But partner DID overcall, perhaps to give you a hint on what to lead if North became declarer.

As you see, a ♠ lead will defeat the contract this time while the ♥Q would let declarer make 11 tricks.

Consider this: even if partner has a high ♥ to help you establish the suit it is not very likely that you would be able to get the lead with your entryless hand.

There is another, more subtle, reason for leading

The bidding has been as shown. The contract is 1♣ doubled

Lead the ♣5.

There is only one reason partner would pass your takeout double - he has a great ♣ suit and he expects to inflict a large penalty.

What he wants to do is pull East's trumps so your high card winners don't get ruffed by East. The way you can help him do that is to start with a trump lead.

With the trump lead East might not make more than three tricks.
