The bidding has been as shown. The contract is 4 ♥

Lead the ♠ K, the top of a 2-card honor sequence.

Against a suit contract you want to try to set up a quick winner in the suit.

Notice that with any other lead declarer would have been able to discard a ♠ loser (maybe both of them) on dummy's ♣s.

♠ K 10 4

♥ K Q 9

♦ A 10 7

♣ Q J 9 7

The bidding has been as shown. The contract is 3NT

Lead the ♠ Q, the top of a broken honor sequence.

The top of a solid 3-card honor sequence is best, but as you can see, a broken 3-card sequence may work out just as good.

South will likely try the ♣ finesse, and when East wins the ♣ K he will return a ♠ through South's ♠ 10.

As you can imagine, declarer will be in a whole lot of trouble.

The bidding has been as shown. The contract is 4 ♠

Lead any ♠.

You have ♦ winners, but dummy will surely be short since he has at least 8 cards in the Major suits.

Partner has whatever ♥ strength your side possesses.

It is very likely that declarer will want to do some cross-trumping. To try to cut that down your best lead is a trump.

Just imagine that declarer wins the first ♠ in his hand and plays a ♥ to dummy's honors. West will win and play another trump. Whenever you win your first ♦ you will play your last trump.
