SOUTH would have responded 1♥ if EAST had not overcalled. But with only 8 points he cannot bid at the 2-level. The Negative Double solves his problem, giving this information to partner.

NORTH has good ♥s and enough points to bid game. Notice that if EAST had remained silent, SOUTH would have responded 1♥, and NORTH would have jumped to game.

NORTH has four ♠s, so instead of bidding them she makes a Negative Double.

SOUTH knows there is no 8-card fit in ♠s, but he does have ♥s stopped. He bids 1NT.

NORTH has 9 points and with four ♣s she goes back to that suit and SOUTH passes.
