3 ♥ by South

Compare this with Deal 8.

NORTH has 7 points, barely enough for a 2♥ raise if there had been no overcall. But when WEST puts in the ♠ bid, NORTH can jump to 3♥ as a preemptive measure. He knows SOUTH won't think he has strength because he did not make a Support Cue-bid.

SOUTH does know it and passes 3♥.

NORTH has the strength for a raise to game in ♠s, but this could be dangerous since SOUTH has overcalled rather than opened. Instead, NORTH shows her strength with a Support Cue-bid.

SOUTH in fact had a pretty good overcall so he jumps to 3♠ and NORTH bids the game.

With a weak overcall SOUTH would have just returned to 2♠ which NORTH would pass.
