Compare this hand with Deal 6. NORTH has five
♠s, this time so she bids 1♠.

SOUTH knows there IS an 8-card fit in ♠s, so he
bids 2♠.

NORTH has 10 points so she passes.

NORTH has 11/12 points, a Limit Raise in ♥s. So after the overcall he makes a Support Cue-bid of 2♠.

SOUTH adds her 16 to the 11 that NORTH has promised as a minimum and goes straight to 4♥.

If NORTH had significantly more than 11 he could bid on, but in this case he should happily pass.

Compare this with Deal 8.

SOUTH has 7 points, barely enough for a 2♥ raise if there had been no overcall. But when EAST puts in the ♠ bid, SOUTH can jump to 3♥ as a preemptive measure. He knows NORTH won't think he has strength because he did not make a Support Cue-bid.

NORTH does know it and passes 3♥.
