NORTH has 15 points, and when West overcalls 2♥ in front of her she has a perfect Negative Double - showing both of the Minor suits.

SOUTH doesn't like the Minor suits, but he has stoppers in ♥s, so he bids 2NT.

NORTH is more than happy to raise to 3NT.

NORTH would have responded 1♥ if WEST had not overcalled. But with only 8 points he cannot bid at the 2-level. The Negative Double solves his problem, giving this information to partner.

SOUTH has good ♥s and enough points to bid game. Notice that if WEST had remained silent, NORTH would have responded 1♥, and SOUTH would have jumped to game.

NORTH has four ♠s, so instead of bidding them she makes a Negative Double.

SOUTH knows there is no 8-card fit in ♠s, but he does have ♥s stopped. He bids 1NT.

NORTH has 9 points and with four ♣s she goes back to that suit and SOUTH passes.
