NORTH has 15 points, a singleton in the opponent's suit and 4-card support for any suit partner might name. In other words, a perfect Takeout Double.

SOUTH needs to make a medium-strong bid to apprise NORTH of her 10 points. She jumps to 2 ♠.

NORTH's hand is now worth 17 points because of the singleton. Since he is quite happy with ♠s he bids 4 ♠.

NORTH has 14 points, a doubleton in the opponent's ♠ suit and at least three cards in each of the other suits. This is a normal Takeout Double.

SOUTH has a really awful hand. He has just one point and his only 4-card suit is the one the opponents have already bid. He wants nothing more than to pass.

But he cannot pass. Partner's Double said "Bid your best suit.", so he bids 2 ♣.

Mercifully NORTH also passes.
