4 ♠ by North			

The 3♣ bid shows a singleton / void in ♣s.

SOUTH doesn't have much strength above what she has already shown, but she takes advantage of the bidding level to make a control-showing 3♥ bid.

NORTH is concerned about the ♦ suit with a worthless doubleton, and he knows that SOUTH doesn't have first-round control. He bids 4♠ and SOUTH passes.

6 ♠ by East

This is the companion to Deal 4.

After EAST bids 3 ♣ to show shortage, WEST makes a Control-showing bid of 3 ♦.

EAST no longer worries about losing two quick ♦s. He uses Blackwood to check for Aces, then bids 6 ♠.

SOUTH's 3♥ rebid shows better than average strength and six trumps.

Just what NORTH was hoping for. She bids Blackwood - her plan is to bid 7♥ if SOUTH has three Aces, bid 6♥ if he has two Aces, and stop at 5♥ if he has just one. If South has no Aces NORTH will get a new partner.
