4 ♠ by North			

The 3♣ bid shows a singleton / void in ♣s.

SOUTH doesn't have much strength above what she has already shown, but she takes advantage of the bidding level to make a control-showing 3♥ bid.

NORTH is concerned about the ♦ suit with a worthless doubleton, and he knows that SOUTH doesn't have first-round control. He bids 4♠ and SOUTH passes.

This is the companion to Deal 4.

After SOUTH bids 3♣ to show shortage, NORTH makes a Control-showing bid of 3♦.

SOUTH no longer worries about losing two quick ♦s. He uses Blackwood to check for Aces, then bids 6♠.

NORTH's 3♥ rebid shows better than average strength and six trumps.

Just what SOUTH was hoping for. She bids Blackwood - her plan is to bid 7♥ if NORTH has three Aces, bid 6♥ if he has two Aces, and stop at 5♥ if he has just one. If North has no Aces SOUTH will get a new partner.
