SOUTH bids 3♠ to show a strong hand with a singleton ♠.

After NORTH shows her first-round ♣ control SOUTH decides he will bid slam if NORTH has three Aces.

When Blackwood reveals just two Aces in NORTH, SOUTH stops at 5♥.

SOUTH bids 4♣ after NORTH's Jacoby 2NT. The reason for this bid is just to describe her hand as having a side 5-card ♣ suit. SOUTH knows the eventual contract will be some level of ♥s.

NORTH doesn't have a strong hand, but he would show ♦ control at this time if he had the Ace. He isn't strong enough to go past game to show the ♠A, so he just bids 4♥.

NORTH should not be tempted to use Jacoby 2NT with this hand. There are only 12 points, and the Limit Raise is a perfect way to show a 12 point support hand.

SOUTH has more than enough strength to bid game after NORTH's limit raise. If NORTH had mistakenly used a Jacoby 2NT response, SOUTH would probably have tried to reach slam, and perhaps gotten too high.
