NORTH's 2♣ bid is Stayman, asking for a 4-card Major.

SOUTH's 2♦ bid denies four cards in either Major.

NORTH knows there is no 8-card Major fit. He also knows the partnership has at least 26 points so he bids 3NT.

NORTH, with 11 points and six ♠s, knows immediately that the final contract will be 4♠ since the partners must have at least eight ♠s and at least 26 points.

She concludes that it might be better for SOUTH to be the Declarer so she bids 2♥ as a Jacoby Transfer. When SOUTH makes the required 2♠ bid she just bids 4♠ which closes the auction with SOUTH as Declarer.

NORTH knows the partnership has a fit in ♥s since SOUTH must have at least a doubleton. He also knows the partnership holds at least 27 points.

He prefers SOUTH be the Declarer, (to protect against the opening lead), so he uses a Jacoby Transfer.

The contract might go down if played by NORTH, but is odds on when played by SOUTH.
