SOUTH has 5 points, so she responds 2♦ to NORTH's opening 2♣ bid.

NORTH bids his 5-card ♠ suit.

SOUTH is too good for the second negative, so she supports NORTH's ♠.

NORTH doesn't have enough to think about slam, so he signs off at 4♠.

6NT by South			

NORTH opens 2♣ with her balanced 25 points.

SOUTH has 9 points but no 5-card suit. He should make a positive response of 2NT.

NORTH figures SOUTH for 8 points and bids 6NT. If SOUTH has significantly more than 8 it will be up to him to go to 7NT. But he doesn't.

SOUTH opens 2♣ and NORTH, with 8 points should bid 2♥.

SOUTH should bid his ♠ suit at his second turn.

And NORTH can only rebid the 6-card ♥s.

That's enough for SOUTH to hear. He bids 6♥, or, just as good, he might bid 6NT.
