NORTH has 18 points and a 5-card ♥ suit. This is a good hand to open 1 ♥.

SOUTH has three ♥s which is adequate support. But SOUTH only has 4 points which is not strong enough to respond. So SOUTH passes.

SOUTH has 17 points counting 1 extra for the fifth ♠. This is a middle-range hand with five ♠s. So he opens 1 ♠.

NORTH only has 7 points, 6 in high cards and one more for the doubleton ♦. But she does have three ♠s, so she can respond 2 ♠.

Since SOUTH is middle-range, he makes one more try by bidding 3 ♠.

If NORTH had 9 or 10 points she would now bid 4 ♠ - but with 7 she passes.

With 8 points, SOUTH is not strong enough to open the bidding.

NORTH has 13 points, barely meeting the minimum for a 1-opening. Note that the fifth and sixth ♠ each added 1 point to his count. He opens 1 ♠.

Although SOUTH passed originally, she must respond to NORTH's opening bid. Since she has three ♠s she raises to 2 ♠.

In light of SOUTH's weak response NORTH passes.
