Notrump bidding really is easy, you just add your points to partner's points and then bid according to that answer.

Here SOUTH has 14 points. So when NORTH opens 2NT, showing 20 or 21 points SOUTH knows the total will come to 34 or 35 so he bids 6NT.

NORTH cannot open with only 8 points.

Furthermore, when SOUTH opens 1NT NORTH knows that the partnership has a 25 points at most so he passes again.
