[show S] [BID 1!H] [BID 4NT] [BID 5!H] [show NS] NORTH has a decent Limit Raise, and SOUTH tries RKC Blackwood.

NORTH replies to the 4NT bid with 5♦, zero or three Keycards. So which is it, zero or three?

Pretty simple - since SOUTH holds three Keycards himself NORTH can hardly have three also since there are only five total. She must have zero and SOUTH signs off at 5♥.
