You dealt this hand.

You have the right strength but the wrong distribution to open 1NT. So you bid 1 ♣. Partner responds 1 ♠. What do you say next?

With partner's ♠ bid giving you a fit, your hand revalues to 18 points. If partner has only 6 or 7 points there is not enough for game, but if he has more than that then you should bid game.

When you are in-between like this you just invite. So you jump to 3 ♠. This tells partner to bid game if he has more than the minimum for his bid. He has 9 revalued points, so he bids 4 ♠.

You dealt this hand.

This is the one situation when you open a 3-card ♦ suit; two 4-card Majors, three ♦s and two ♣s, but not enough strength to open 1NT.

Partner responds 2NT.

Partner's bid shows 13-16 points, balanced. And most importantly, it denies holding a 4-card Major suit. So you do not consider bidding either your ♥s or ♠s, but just bid 3NT.
