4♠ by North			

You dealt this hand.

You open 1♦ and partner responds 1♠. What is your next bid?

Do not support what may be a 4-card suit with only 3 cards. Instead, jump to 2NT, showing 18-19, balanced. Partner rebids the ♠s. What do you say next?

Partner shows a minimum hand, but with 6 ♠s. 3NT is very tempting, and might work out fine, but with 9 ♠s it is probably better to play the suit game. So you bid 4♠ and everybody passes.

Bidding 4♠ was a good choice. It makes easily, yet 3NT might have gone down.

You have plenty good support to raise partner's ♣ suit. But your first priority is to show a 4-card Major suit if you have one. You do, so you respond 1 ♠. Partner raises you to 2 ♠.

Are you tempted to take partner back to ♣s since you have such good support? Don't be. Partner has 4 ♠s, but he might have only 3 ♣s.

Are you tempted to bid 3 ♠ since partner raised you? Don't be. He showed a minimum hand with his single raise and you only have 9 points. Just pass.

4♥ by South

Some might jump to 2NT, "to show partner my point count". Some might jump to 3♦, "to force partner to game and show my ♦ support". The wise ones will just bid 1♥, striving to find an 8-card Major fit, the first priority of bidding.

You choose the 1♥ route, and partner obligingly says 2♥.

Remember "She who knows, goes"? You know of the 8-card Major fit. You know of at least 26 combined points. You know you should bid 4♥, so you do.
