North opens 1♠. You respond 2♦, a 2/1 force to game. Partner rebids 2♥, showing a 4-card side suit.

You don't have 4♥s, nor do you have 3♠s. You do, however, have stoppers in ♣s so you bid 2NT. North happily says 3NT.

East opens 1♠. How do you respond? You bid 2♦, a 2/1 force to game. East rebids 2♥, showing a 4-card heart suit.

You don't have 4♥s, nor do you have 3♠s.

Furthermore, you don't have stoppers in ♣s so you cannot bid NT. Since you have to keep bidding, but have no reasonable bid you can make, you bid the fourth suit, 3♣. Compare this Deal with Deal 21.

East understands that West's ♣ bid is

Fourth-Suit-Forcing, and does not actually show ♣s.

However since East does have a ♣ stopper he bids

3NT. In this case this turns out to be the best game

contract.
