You **COULD** make a Splinter Bid with this hand. You have a singleton ♦ and great trump support. However it is usually not worthwhile Splintering when you have the strong hand that will be taking control. Since what you really want to know is how many Aces partner has you just ask him with a 4NT bid. Partner answers 5♥.

Missing one Ace you bid 6♥.

You have a good hand, but not good enough to jump-shift at your first turn. So you respond 1 ♠. Partner now jumps to 3 ♠.

Partner has 16-18 points and ♠ support. It depends on the Aces so you bid 4NT. His answer is 5 ♥.

You are missing one Ace but 6 ♠ should be a good slam.
