With 14 points you will insist on game, but you aren't strong enough to jump shift. So you bid 1♥. Partner rebids 1♠.

Partner shows nothing extra. All you know now is that he doesn't have 4♥s. You know you want to be in game, but you aren't sure which game. If partner has 3♥s then 4♥ would be good. If not though, 3NT would be good if he has a ♦ stopper. The way to find out what he has is with Fourth Suit Forcing. So you bid 2♦. Partner answers with 2NT.

Partner does not have 3♥s, but he does have ♦s stopped. So you bid 3NT.

3NT by East

You open your 5-card suit, 1 ♦. Partner responds 1 ♠.

You might bid 1NT, but since you have a singleton you prefer to say 2 ♣.

Partner bids 2 ♥.

This is Fourth Suit Forcing and partner is fishing for more information. You certainly don't have 3 of his ♠s so that is out. On the other hand, you have a double stopper in ♥s, so with 14 points you go right to 3NT.
