5 ♣ by North

You open 1 ♥. As expected, partner responds 1 ♠.

This is easy bidding so far. You bid your second 5-card suit, 2 ♣.

Partner says 2 ♦.

Partner's bid is FSF. He wants to know if you have 3 ♠s, (you don't), or if you can stop ♦s, (you can't). So you have to rebid one of your 5-carders, and you should bid the lower-ranking one. You bid 3 ♣ and partner raises to 5 ♣.

3NT by East

You have 15 points and you respond 1 ♠. Partner rebids 2 ♦. What do you say next?

You would love to play 4 ♠ if partner has 3 ♠s. Or, you would love partner to play 3NT if he has ♣s stopped.

So you say 3 ♣ (FSF) to find out if either possibility exists. Partner does have ♣s stopped and bids 3NT.
