Your 3♠ bid is a Splinter, agreeing ♥s as trump, and showing opening hand strength with a singleton or void in ♠s.

You have one Key-Card, the ♥A. You also have a ♠ void, but since bidding 6♠ would take you above the 6♥ level you just respond 6♥. Partner will deduce that your void is in ♠s, particularly because you Splintered in that suit. Partner passes your 6♥ bid.

Partner's 4♦ bid is a Splinter Bid. It shows opening hand strength, at least 4-card ♠ support, and a singleton or void in ♦s.

Normally you would not ask for Key-Cards with this ♦ holding. But since you know partner has at most a singleton, and that it is not the singleton ♦ A, you are safe to do so. You say 4NT, partner replies 6♦. What next?

WOW! Partner has one Key-Card and a ♦ void. So the Key-Card is the ♠ A. You don't know what the rest of partner's hand is, but he can surely take care of that small ♣. You bid 7♠.
