3 ♠ by North

The bidding has been as shown.

You have enough for a 1-level Overcall so you bid 1 ♠. Partner says 3 ♠.

The jump raise tells you partner has 11-14 points.

With your minimum it's going to have to be better than that to get you excited. So you pass.

The bidding has been as shown.

You have 10 points, but in cases like this points don't matter that much. They **MIGHT** be able to make 4 ♥. Partner **MIGHT** be able to make 4 ♠. This preemptive jump takes the decision away from them.

Looking at the hands you can see that partner is going to go down 1 at 4 ♠. However, that is an excellent result since they appear to be cold for 5 ♥.

Nice hand. But not nice enough to double, then bid your ♥s. So you overcall 1♥. Partner says 3♥.

The jump raise promises 11-14 points. Your 17 plus partner's 11 or so takes you right up to game. You bid 4♥.
