The bidding has been as shown.

You have 16 HCP and two more points for the fifth and sixth ♥s. That is too strong for a simple overcall. Instead you double. Partner responds 2 ♣.

You bid 2 ♥, describing your hand as a 1-suited hand, too strong to merely overcall. Partner bids the ♥ game and you pass.

You should double. This is a special case of the Takeout Double, where the opponents have already bid two suits before it gets to you. Since they apparently have at least 20 points, you should have a solid hand with at least 4-4 in the two unbid suits. A hand just like this one.

Partner bids 2 ♦. What do you say next?

Just pass. This is obviously a fight for the partscore and you have the advantage because you have found a fit. However, you suspect partner is quite weak.
