♣ A 10 5 4

The bidding has been as shown. The contract is 3NT

Lead the ♠Q, the top of a broken honor sequence.

The top of a solid 3-card honor sequence is best, but as you can see, a broken 3-card sequence may work out just as good.

North will likely try the ♣ finesse, and when West wins the ♣K he will return a ♠ through North's ♠10.

of trouble.

The bidding has been as shown. The contract is 4 ♠

Lead any ♠.

You have ♦ winners, but dummy will surely be short since he has at least 8 cards in the Major suits.

Partner has whatever ♥ strength your side possesses.

It is very likely that declarer will want to do some cross-trumping. To try to cut that down your best lead is a trump.

Just imagine that declarer wins the first ♠ in his hand and plays a ♥ to dummy's honors. North will win and play another trump. Whenever you win your first ♦ you will play your last trump.

As you can imagine, declarer will be in a whole lot
