4-card Major in either hand.

The bidding has been as shown. The contract is 6NT

Lead the ♥6.

You held this identical hand in Deal 3. The declarer was playing 3NT and the best lead was the ♠4, fourth down.

It's different when the contract is 6NT. Against 6NT you should make a passive lead, which means don't underlead any honors. Against 6NT you have little chance of establishing a suit to win four or five tricks. Instead, you just want to try to not give declarer an undeserved trick.

So any passive lead would be OK, you pick the ♥ just because they are less likely to have an unbid

Declarer has 11 winners sitting there; if you had led a low ♠ you would have handed him his 12 trick on a platter.

Lead the ♠ 4.

Against a notrump slam it is best to make a passive lead so you don't give declarer an undeserved winner.

Against a suit slam the situation is very different. Against strong dummy bidding like this you are pretty sure that if you don't establish a winner early declarer will find something in dummy to discard losers on. In this hand it is dummy's ♣ suit.

Your most promising suit is ♠s. Obviously partner has a very weak hand, but if he has the ♠Q you can set up your ♠K before your King of trumps is dislodged.

Without a ♠ lead declarer will have smooth sailing.
