Lead the ♠ K, the top of a 2-card honor sequence.

Against a suit contract you want to try to set up a quick winner in the suit.

Notice that with any other lead declarer would have been able to discard a ♠ loser (maybe both of them) on dummy's ♣s.

Lead the ♠Q, the top of a broken honor sequence.

The top of a solid 3-card honor sequence is best, but as you can see, a broken 3-card sequence may work out just as good.

East will likely try the ♣ finesse, and when North wins the ♣K he will return a ♠ through East's ♠10.
