SOUTH has a perfect hand on which to use Fourth Suit Forcing. If North can stop ♠s, then 3NT would be a great contract.

There is one problem - if SOUTH bids 1♠ at her second turn it is NOT considered FSF, so she must jump to 2♠.

NORTH, win a fine ♠ stopper, bids 3NT.

WEST's 2♦ bid is a perfect example of NMF. It provides EAST with the opportunity to show either a 4-card ♥ suit, OR 3-card ♠ support.

In this hand EAST actually has both. When that happens, showing the ♥s is first priority.
