NORTH's 1♠ bid is definitely forcing, but it is not FSF. In this one instance, all bids at the one level, the ♠ bid shows a real suit.

So SOUTH shows the 4-card support and NORTH bids game.

EAST could make a Help Suit Game Try in either ♠s or ♣s. But she doesn't need the ♠ help as much as she does in ♣s, so she chooses ♣s.

WEST doesn't have a strong hand but has excellent help in ♣s so he bids the game.

Could SOUTH bid 2♥, (FSF), even though she actually has the suit?

Perhaps, but there is no reason to do so. NORTH does not have four ♥s or he would have mentioned them before bidding ♠s.

SOUTH should ignore the ♥ suit and bid 3NT.
