2 ♠ by North

NORTH has 14 points and opens her 4-card ♣ suit.

SOUTH must respond, and with two 4-card Majors bids them "up-the-line", saying 1 ♥.

NORTH now shows his 4-card ♠ suit, and SOUTH again must bid. Since SOUTH is pretty weak he just raises to 2 ♠, which NORTH happily passes.

6NT by East			

EAST has a maximum 17 point 1NT bid.

WEST, with 16 points, can't tell if there are enough points for slam. If EAST has 17 points then a slam should be makeable, but if EAST has only 15 points then he should settle for game.

The 4NT raise solves the problem. It tells EAST to bid 6NT with 17 points, pass with 15 points, and use best judgment with 16. Here EAST bids the slam.
