6NT by North

With balanced distribution and 16 points NORTH should open 1NT rather than 1♦.

SOUTH's response is based on simple math. He adds his 18 points to the 15 minimum that NORTH has announced and comes up with 33 points combined. This is enough for a small slam, and since he has balanced distribution he bids 6NT.

WEST is right at the maximum for a 1♠ opening bid
- one more point and he would have opened 2♣.

EAST does not have 3-card ♠ support but with 7
points must make some response. She cannot bid at
the 2-level so she says 1NT (6-10 points).

WEST is fine with Notrump so he bids 3NT.
